This Month's Lunch Meeting...

Don Harkey

When 1+1 Doesn't Equal 2

Tues., Feb 16th at 11:30am
Twin Oaks Country Club

Mark your calendar and bring a guest. Our speaker will be Don Harkey, the owner of Galt Consulting in Springfield, Missouri. Don provides strategic planning and public speaking for businesses and organizations. He will be speaking to us about "When 1+1 Doesn't Equal 2".

Don holds a B.S. in Chemical Engineering from the University of Nebraska-Lincoln and spent 10 years working for Fortune 500 companies (Archer Daniels Midland and 3M) where he developed his skills helping people to improve processes. He saw how important a clear vision and purpose is and started Galt Consulting to simply help companies become better.

In 2010, Don launched a new personnel development subscription service with Randy Mayes, executive coach, called Leadership Book of the Month, which provides subscribers with weekly concepts and tools designed to help them improve themselves and their organizations.

Come join us for lunch, learning, and networking. The cost of the meal is \$10.00 for members, \$20 for non-members. Please RSVP to Katie Aton-Jackson at katie@smilliejacksoncpa.com by Friday 02/12.

Help Your IMA Chapter Earn Awards

Every year the IMA chapters across the nation compete for "Chapter Points". We earn points for various chapter involvement activities. For example: member attendance at monthly meetings, CMA exams taken, and several others. This year we want to try to increase our chapter involvement in the Elective category. We need your help. Some of you may be participating in these activities already or are willing to help the chapter achieve them. We have listed the activities below. In addition, mark your calendar for our upcoming Charity Bowling Event set for April 17th, details to follow soon.
